

NO HOPE WITHOUT FORCE

(Associated Press Cable to The Star.)

HAVANA, September 25.—Secretary of War Taft and U. S. Minister Bacon have practically abandoned all hope of any settlement of the Cuban trouble except by force.

President Palma is expected to resign.

MORE WARSHIPS IN READINESS

WASHINGTON, D. C., September 25.—The battleships Indiana, Kentucky and Texas and cruiser Brooklyn have been ordered to be in readiness to be dispatched to Cuban waters.

Many marines have also been ordered to be in readiness for possible service in Cuba with the fleet, as probable landing parties.

Election Problems Coming Up

QUESTIONS TO BE SETTLED REGARDING CANDIDATES' FILINGS OF NOMINATION PAPERS.

Some new election questions are arising in connection with the preparation of official ballots and the receipt of nomination papers in the secretary's office. An opinion of the attorney general's department has been rendered to the effect that all nominations from districts outside Oahu must be filed by October 6 in order that the names of nominees may be on the official ballot. In Honolulu, nominations may be received up to October 26.

One question to be settled is whether the following section of the election laws applies to county candidates:

"Section 28. No person shall be permitted to stand as a candidate for election to the Legislature unless he shall be nominated and so requested in writing, signed by not less than twenty-five duly qualified electors of the district in which an election is ordered, and in which he is requested to be a candidate. Such nomination shall, except as hereinafter provided, be deposited with the Secretary of the Territory not less than thirty days before the day of a general election, or twenty days prior to a special election, except on the Island of Oahu, where such nomination shall be deposited not less than ten days before the day of any election.

"Each nomination shall be accompanied by a deposit of twenty-five dollars on account of the expenses attending the election which amount shall be paid into the treasury as a government realization."

This section is from the general election laws, which the county act says shall govern county elections where applicable to such elections.

Another question that may arise, is as to the verification of names on nomination papers. Nomination papers are coming in now, that of Auditor Bicknell having already been received. The Boards of Registration meet up to October 19, hence the registration rolls will not be prepared till considerably later than that, and therefore cannot be used in ascertaining whether persons signing nomination papers are qualified electors or not. The last registration rolls may be used instead, but there is some question as to whether use of this would be valid.

Home Rule Endorsement Of Carter

HOME RULE PLATFORM CONTAINS PLANK ENDORSING CARTER'S ADMINISTRATION.

The following is a plank of the Home Rule party platform in which the party endorses the administration of Governor Carter:

Kakoo makou i na lawelawe a hoo-kele aupuni ana a Kilaia Geo. R. Carter iioke o ke Teritori o Hawaii nei, mamuli o ka Ikeia o ka holopono o kana mau hana no ka pono o ka lehufendat. The motion was granted.

Translated it is as follows: We endorse the administration of the affairs of this Territory by Governor George R. Carter, and believe that he has at all times conducted the affairs of the Territory for the benefit of all concerned within the Territory.

QUIT JAIL TO DRINK

JACK NO. 1 FOUND DRUNK IN HIS PRISON WORK CLOTHES—ESCAPED FROM OAHU PRISON.

Prisoners over at the Oahu jail seem to be getting rebates or pardons or paroles or something else. In any event they seem to be getting their liberty before they are entitled to it. As an example the case of High Sheriff Henry's prisoner Jack No. 1, a native man, can be cited.

On September 18 Jack was sentenced to serve 15 days for intoxication. On Saturday night the man was found dead drunk, and dressed in his prison suit of clothes in the street. Where he got his liquor or how he managed to escape from the jail are things that the police who discovered the man have been unable to learn. However the ward was turned over to the prison authorities, for sobering up and incidentally, to serve the eleven days that remained of his sentence.

Japs Will Have To Drink Beer

SAKE SUPPLY HAS RUN OUT—SITUATION BAD ON ACCOUNT OF VISITING WARSHIPS.

When the Japanese warship Araga-wa arrives in this port the big celebration to be held by the local Japanese cannot be the success that it at first promised to be. The reason for which lies in the fact that instead of toasting their fellow countrymen with sake and to the word "Banzai" or whatever it is, the Japs will have to emulate the Germans and holding aloft a stein of beer say "Prost" for the sake supply has run out.

There has been only a small amount of the Japanese national drink on hand for some time past. The S. S. Mongolia had a consignment of the beverage but it happened to be placed in the forward compartment where it would be cool and it so happened that it was the first of the cargo to go overboard when the ill-fated liner went upon the reef.

Now the supply has dwindled until it is no longer possible to obtain even a chime full. There will be none in town for some time according to the present outlook.

"NOTHING DONE BUT POLITICS" SAYS DE BOLT

DEPUTY SHERIFF JACK KALAKIELA WAS SO BUSY DOING POLITICS YESTERDAY THAT HE IGNORED THE TASK OF GETTING JURORS. MURDER TRIAL AS STANDS TILL BECAUSE THE COURTS' VENIRE WAS IGNORED.

The Democratic convention of yesterday spoiled Judge De Bolt's session of court today. Deputy Sheriff Jack Kalakiel was so busy trying to get a Democratic nomination that he utterly ignored a special venire issued yesterday afternoon for jurors for the Wallace murder case, and the court was unable to proceed this morning. There was some lively argument between Attorney Kingsbury for the defense and Deputy Attorney General Prosser, as to how the court should proceed, and when Judge De Bolt finally decided to recall the venire and reissue it, against the protest of Prosser, Prosser said that a nolle prosequi might be entered. This would mean re-arresting the defendant and beginning all over again.

TRYING TO FLOAT TRANSPORT SHERIDAN

REPORTED FROM BARBER'S POINT THAT WORK TO GET VESSEL AFLOAT WAS IN PROGRESS.

The work of hauling on the transport Sheridan to float her from her position on the bog's back off Barber's Point, is understood to have been started this morning. At least private reports from Barber's Point would so indicate. The pulling was, for some reason, stopped soon after it was begun, and up to 1 o'clock this afternoon had not been resumed. All morning long the news of the floating of the transport had been anticipated, but such news did not arrive.

If the Sheridan is pulled off today it will occur much earlier than Captain Humphrey, the depot quartermaster, had anticipated last week.

KUHIO TO OPEN HIS CAMPAIGN

REPUBLICAN NOMINEE FOR DELEGATE TO CONGRESS STARTS FOR HILO TODAY.

Prince Kuhio Kalaniana'ole departed by the steamer Kinau today for Hilo to open the congressional campaign for the Republican party. The prince was unattended, but his side partner and stumping aide, Judge Archie Mahaula of Waialua may join him within a few days.

The delegate, who is seeking re-election, will stump Hawaii and then go to Maui and possibly Molokai. He expects to remain away about three weeks. The campaign will be opened at Hilo tomorrow night.

WHEN MONGOLIA WILL ARRIVE HERE

VESEL IS NOT LIKELY TO MAKE PORT BEFORE THURSDAY IF SHE IS STEAMING 10 KNOTS.

The S. S. Mongolia is not likely to arrive here much before Thursday from Midway. She is evidently coming along under a slow rate of about 10 knots in company with the transport Buford. The pair will not be apt to reach Honolulu for several days.

Captain Saunders of the Manchuria is getting his vessel cleaned up and she is looking something like the way she did before she had the mishap. He thinks she will be ready for sea by the end of the week or possibly the early part of next week. The matter of her destination has not been settled, and will probably not be determined until the return of Captain Metcalfe from Midway.

There is a possibility that Metcalfe may have met the Buford and the Mongolia coming from Midway and left the Restorer and gone aboard those vessels and now be on his way to Honolulu.

The cable S. S. Restorer was expected to reach Midway today from Honolulu.

The Japanese training ship Aragawa is expected to reach Honolulu today or tomorrow from Midway.
